DETAILED ACTION

This Office Action is in response to Applicant's Amendment, filed 12-15-04 which has been entered and considered. Claims 87-96, 98-100, and 102-116 are currently pending; cancellation of claims 97 and 101 is acknowledged.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance of claims 87-96, 98-100, and 102-116:

Claims 97, 99, and 101 were previously allowed if rewritten in independent form incorporating the limitations of the base claim and any intervening claims. The claim elements of old claim 99 have been incorporated into all of the independent claims, including the new independent claim. Subsequent to an updated search of the applicable prior art, this application is now in condition for allowance for reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
